

“...The harvest is plentiful, but the laborers are few. Therefore pray earnestly to the Lord of the harvest to send out laborers into his harvest.” Luke 10:2

## **Many Changes Are About to Take Place!!**

We have wonderful news! Our apartment is almost ready. (Lord willing, by the time you receive this, it will be ready.) We are actively planning to move and already have our appointment for our items in storage to be delivered on Friday, December 11. We are excited, but also nervous about this new step our family is taking in ministry. We appreciate your prayers for us as we move in and get adjusted to a new home and very different life-style. Moving in the middle of the school year makes things particularly complicated, not only in terms of keeping the kids' education moving along, but also in terms of getting our homeschool set up under NY's guidelines in the midst of trying to get our home set up. Thank you for your prayers now and throughout this journey!

**The change in our lives, also means change for you, our partners. Emmanuel Bible Church will no longer be processing our support. Beginning in January, all support should be directed to International Project.** If support is sent to EBC after December, it will be sent to International Project (IP), so don't worry if your January support gets sent to EBC by mistake. On the back of this update are step-by-step instructions for donating online via International Project's website. IP does not send monthly updates with envelopes like World Impact did, so some of you may find online giving easier. For those of you who prefer to send your support by mail, we will continue to send pre-addressed envelopes in our updates, at least for now. Since IP will be processing donations, be sure to include our name on your gift, as we cannot include donation slips anymore.

**See the back of this update for step by step instructions for online giving to International Project.**

**Online giving Instructions:** We know these screen shots are small and difficult to read, but we hope that by including them and placing the red notations to direct you, you will be able to orient yourself on the pages. Begin below left and follow the steps going down the page.

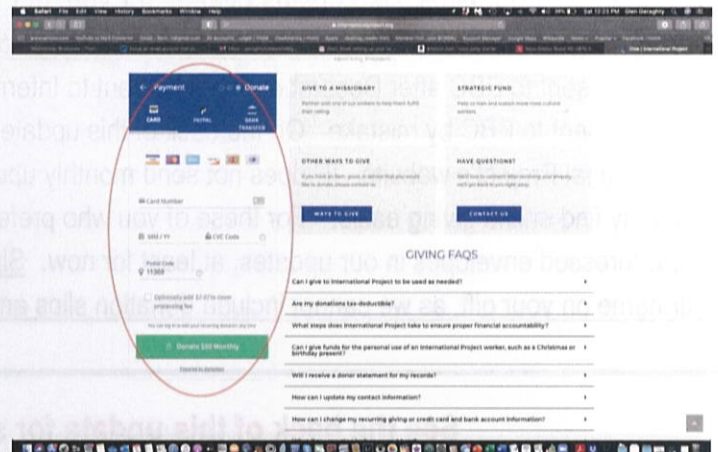

**Step 1:** Go to internationalproject.org  
Click on "Give" in upper right corner.

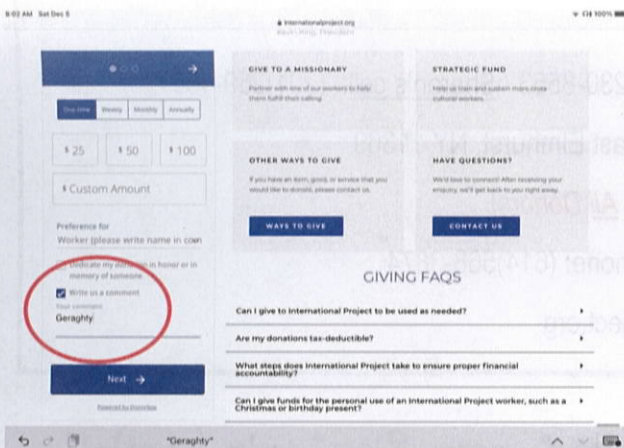

**Step 4:** Fill in your information and click "Next."

**Step 2:** Fill in your giving preferences, under the blue bar on the left. Then click the drop down box under "Preference for." (See circled section.)  
Choose "Worker."

**Step 5:** (See top of circled section) Click how you want to give: By "Card," "Paypal," or "Bank Transfer." Then below, enter the information requested. After entering your information, click the green bar to donate.  
(Now see text box below for another option.)

**Step 3:** Click the box for "Write us a comment" and then type "Geraghty" on the line. Click "Next."

In order to avoid fees that International Project will need to pay for these services, you may want to consider setting up a one-time or recurring bill-pay with your bank in order to donate to our support. In that case, there might not be any fees. In the memo, type our name so IP will know how to apply your gift.

Thank you!
